*Unwind at a
mindful retreat*

A photograph of a modern outdoor lounge area. The space is partially covered by a large, lush green palm leaf canopy. The walls are made of vertical wooden slats, and the floor is a light-colored stone or concrete. In the foreground, there are two contemporary chairs with metal frames and dark fabric seats, flanking a small wooden coffee table with a metal base. On the table, there are two white teacups and a small vase with purple flowers. In the background, a large glass door with a blue curtain leads into a room. Inside the room, there is a wooden desk with a red chair, a framed picture on the wall, and a small bowl of fruit. The overall atmosphere is bright and airy, with natural light filtering through the slats and the canopy.

Baarique

Bengal has had a rich tradition of many vegetarian and non-vegetarian dishes. The great river systems, heat and humidity, combined with the fertile soil, allow rice and an abundance of vegetables to thrive; making these the cornerstones of the diet.

From authentic Bengali dishes, to popular global cuisine, the Storii Kolkata menu caters to every taste. Baarique is open from 7am - 11pm.

In Room Dining

Sit back in the comfort of your room and enjoy a delicious spread from our in-room dining menu, available around the clock.

Storii in a Bottle

The first taste of Kolkata begins with a refreshing Gondhoraj lassi - made with the local Gondhoraj lebu (king lime), popular for its fragrance and tart flavours.

A woman with long dark hair, wearing a vibrant, multi-colored patterned dress and a wide-brimmed hat, is walking towards the camera on a paved path.
